The qualifications and degrees are presented in Table 1. The data includes details of degrees obtained from institutions other than the University. The degrees are listed in descending order of importance, with the highest degree being the degree having the most years of study. The table shows the name of the degree, the institution, and the date of completion. The degrees are listed in descending order of importance, with the highest degree being the degree having the most years of study. The table shows the name of the degree, the institution, and the date of completion.

1. The degree obtained from Other University is listed as the second highest degree. The degree is denoted as Other University and the institution is not specified. The date of completion is specified as the year 2014.

2. The degree obtained from the second highest institution is listed. The degree is denoted as Other University and the institution is not specified. The date of completion is specified as the year 2014.

3. The degree obtained from the third highest institution is listed. The degree is denoted as Other University and the institution is not specified. The date of completion is specified as the year 2014.

4. The degree obtained from the fourth highest institution is listed. The degree is denoted as Other University and the institution is not specified. The date of completion is specified as the year 2014.

5. The degree obtained from the fifth highest institution is listed. The degree is denoted as Other University and the institution is not specified. The date of completion is specified as the year 2014.

6. The degree obtained from the sixth highest institution is listed. The degree is denoted as Other University and the institution is not specified. The date of completion is specified as the year 2014.

7. The degree obtained from the seventh highest institution is listed. The degree is denoted as Other University and the institution is not specified. The date of completion is specified as the year 2014.

8. The degree obtained from the eighth highest institution is listed. The degree is denoted as Other University and the institution is not specified. The date of completion is specified as the year 2014.

9. The degree obtained from the ninth highest institution is listed. The degree is denoted as Other University and the institution is not specified. The date of completion is specified as the year 2014.

10. The degree obtained from the tenth highest institution is listed. The degree is denoted as Other University and the institution is not specified. The date of completion is specified as the year 2014.

11. The degree obtained from the eleventh highest institution is listed. The degree is denoted as Other University and the institution is not specified. The date of completion is specified as the year 2014.

12. The degree obtained from the twelfth highest institution is listed. The degree is denoted as Other University and the institution is not specified. The date of completion is specified as the year 2014.

13. The degree obtained from the thirteenth highest institution is listed. The degree is denoted as Other University and the institution is not specified. The date of completion is specified as the year 2014.

14. The degree obtained from the fourteenth highest institution is listed. The degree is denoted as Other University and the institution is not specified. The date of completion is specified as the year 2014.

15. The degree obtained from the fifteenth highest institution is listed. The degree is denoted as Other University and the institution is not specified. The date of completion is specified as the year 2014.

16. The degree obtained from the sixteenth highest institution is listed. The degree is denoted as Other University and the institution is not specified. The date of completion is specified as the year 2014.

17. The degree obtained from the seventeenth highest institution is listed. The degree is denoted as Other University and the institution is not specified. The date of completion is specified as the year 2014.

18. The degree obtained from the eighteenth highest institution is listed. The degree is denoted as Other University and the institution is not specified. The date of completion is specified as the year 2014.

19. The degree obtained from the nineteenth highest institution is listed. The degree is denoted as Other University and the institution is not specified. The date of completion is specified as the year 2014.

20. The degree obtained from the twentieth highest institution is listed. The degree is denoted as Other University and the institution is not specified. The date of completion is specified as the year 2014.

21. The degree obtained from the twenty-first highest institution is listed. The degree is denoted as Other University and the institution is not specified. The date of completion is specified as the year 2014.

22. The degree obtained from the twenty-second highest institution is listed. The degree is denoted as Other University and the institution is not specified. The date of completion is specified as the year 2014.

23. The degree obtained from the twenty-third highest institution is listed. The degree is denoted as Other University and the institution is not specified. The date of completion is specified as the year 2014.

24. The degree obtained from the twenty-fourth highest institution is listed. The degree is denoted as Other University and the institution is not specified. The date of completion is specified as the year 2014.

25. The degree obtained from the twenty-fifth highest institution is listed. The degree is denoted as Other University and the institution is not specified. The date of completion is specified as the year 2014.

26. The degree obtained from the twenty-sixth highest institution is listed. The degree is denoted as Other University and the institution is not specified. The date of completion is specified as the year 2014.

27. The degree obtained from the twenty-seventh highest institution is listed. The degree is denoted as Other University and the institution is not specified. The date of completion is specified as the year 2014.

28. The degree obtained from the twenty-eighth highest institution is listed. The degree is denoted as Other University and the institution is not specified. The date of completion is specified as the year 2014.

29. The degree obtained from the twenty-ninth highest institution is listed. The degree is denoted as Other University and the institution is not specified. The date of completion is specified as the year 2014.

30. The degree obtained from the thirtieth highest institution is listed. The degree is denoted as Other University and the institution is not specified. The date of completion is specified as the year 2014.
