Registration of External Candidates To Saurashtra University

A large nos. of students can not undertake regular courses in the colleges or in the departments of the university due to financial constraints, non availability of time to attend full time courses or they stay at remote places far away from the college or even senior citizens unable to join regular courses.

Saurashtra University for last several decades is facilitating such students through its External Registration Programme which allows them to undertake self study of the stipulated syllabi and directly appear for the examination under this program, Saurashtra University awards graduate degrees such as B. A., B. Com. & Post Graduate degrees such as M. A., M. Com.

The university undertakes exams in first half of every year.
