Accredited Grade "A" by NAAC

Saurashtra University

Paraphrasing:

Anna University conducted an examination for the course in Marathi, titled "1", under the CCA scheme. The examination included a viva voce and a written test. The written test consisted of two parts: a) MCQ test (submitted by students) and b) MCQ test (written in the test). The total marks for the examination were 40.

For the viva voce, the students were asked questions about their answers to the written test. The examiner asked questions about the answers submitted by the students. The examiner also asked questions about the content of the viva voce.

The extracted text is as follows:

A

Accreditation

MCQ Test (Submitted Part)
Seminars Presentation Assessment Accreditation

B

MCQ Test (Submitted Part)

C

MCQ Test (Submitted Part)

D

Seminars Presentation Assessment

The total marks for the examination were 40. The viva voce was conducted to assess the students' understanding of the written test. The students were asked questions about their answers to the written test. The examiner also asked questions about the content of the viva voce.
