**AIM OF THE PROGRAM**

The RABR 2015: Recent Advances in Biochemical Research aims to bring together leading Academic Scientists, Industrial Scientist, Researchers, Research Scholars (Ph.D. students), Post Graduate and Under Graduate (T. Y. B.Sc. only) students to exchange and share their experiences and research results about all aspects of Biochemical research i.e. Immunology, Human Physiology, Clinical Biochemistry, Molecular Biology, Plant Biochemistry, Microbiology and Biotechnology. It also provides the premier interdisciplinary and multidisciplinary forum for researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns, practical challenges encountered and the solutions adopted in the field of Biochemistry.

We encourage you to contribute and help to shape the conference through paper submissions. We invite high quality submissions of papers describing original and unpublished results in all areas of Biochemistry. The conference solicits contributions of Research papers (Faculty, M.Sc. & Ph.D. students) and Review Papers (for T.Y. B.Sc. & PG students only) that address the themes and topics for the conference, including figures, tables and references of novel research material.

Registration Form is also available on www.saurashtrauniversity.edu and home page of “Dept Biochemistry” on facebook.
