

Details of Talks/Visits/Events in Bioscience: 2019

Sr. No.	Date	Name of the Guest/Expert/Events	Topic/Interaction
	08 January 2019	A programme to facilitate the NET-Success Candidates by the university	Number of PhD/MPhil/MSc students from this Department participated in this event
	10 January 2019	Prof. Linz-Bouy George , Department of Zoology, Gujarat University, Ahmadabad	Interaction with the faculty members and students of the Department
	11 January 2019	Dr. Neepa Pandhi , Department of Microbiology, Shree M.N.Virani College, Rajkot	Interaction with the faculty members and students of the Department
	12 January 2019	Dr. John George , Department of Bioinformatics, Christ College, Rajkot	Interaction with the faculty members and students of the Department
	17 January 2019	Mr. Vishaldeep Vaghela , City University of New York & Weil Cornell Medicine- Cornell University, New York, USA	Talk on: Nutrient Sensing Through, mTORC1 in RAS-Mutant Cancers Interaction with the faculty members and students of the Department
	18 January 2019	Dr. Nasreen S. Munshi , School of Science, Nirma University, Ahmadabad	Talk on: Microbial Fuel Cells Interaction with the faculty members and students of the Department
	21 January 2019	Ms. Mary Marquez Bell , Vice President of Enrolment Services, SUNY, OldWestbury, New York, USA	Visit to the Department and Interaction with the faculty members and students of the Department Along with the Hon Vice Chancellor, Prof. Nilambari Dave
	24 January 2019	New India Youth Dialogue Event held in the Department of Home Science, Saurashtra University on 24-01-2019	Attended by our Students
	29 January 2019	Live Telecast of the Interaction of our Hon Prime Minister with the students on ' how examination related Anxiety/pressure can be minimized and managed	Attended by our Students Dr. Mital Kaneria and Dr.Shweta Pathak Coordinated

	29 January 2019	A panel discussion/ Group discussion involving our students on the Theme/Topic of the 'Ill Effects of Narcotics/Tobacco/Alcohol etc"	Attended by our Students Dr. Jyoti Jigyasi Coordinated
	03 February 2019	National conference in Christ College, Rajkot	Attended by our Students 06 Students awarded first and 01 awarded second rank in the presentations of different categories
	04 February 2019	A One-Day work shop was organized on the applications of Foldoscope for the school teachers, organized at the Shree O. V. Sheth Regional community Science Center, Rajkot	Attended by 25 School Teachers and Students of Botany of the Department Dr. Jigna Tank Coordinated
	26 February 2019	A One-Day National Conference was organized on 'New Horizons of Biological Sciences'	Attended by 230 Participants. Key Note address by Prof. B J Rao (TIFR and ISSER, Tirupati and invited talk by Prof. Rajesh Mehrotra (BITS, Goa)
	12 April 2019	Oath taking ceremony for the students and staff of the Department to generate awareness for voting in the forthcoming general election	About 80 Students and staff members of the Department attended this ceremony. Students were encouraged and advised to exercise their voting rights in the forthcoming general election
	18June 2019	Mr. Ashwin Yadav University of Helsinki, Institute for Molecular Medicine, Finland Research and Bioinformatics. Their current project relates to understanding Pharmacogenomics landscapes in different Hematological malignancies'.	Visited our Department today and interacted with the faculty members and students of the Department. Mr. Yadav is our alumni and has completed his masters in Biotechnology from our Department. In the University of Helsinki, Finland, he is working on the Precision Medicine, Biostatistics, Cancer
	28June 2019	Prof. Meenu Saraf , Prof & Head, Department of Microbiology & Biotechnology, Gujarat University, Ahmadabad	Interaction with the faculty members and students of the Department

	29 June 2019	Prof. Shalini Rajkumar , School of Science, Nirma University, Ahmadabad	Interaction with the faculty members and students of the Department
	29 June 2019	Prof. Suhas Vyas , Department of Life Sciences, B K N M University, Junagadh	Interaction with the faculty members and students of the Department
	29 June 2019	Prof. Linz Buoy George , Department of Zoology Gujarat University, Ahmadabad	Interaction with the faculty members and students of the Department
	03 July 2019	Prof. Suhas Vyas , Department of Life Sciences, B K N M University, Junagadh	Interaction with the faculty members and students of the Department
	09 July 2019	Medical camp and health awareness talks for females organized by Vidushi and Kundariya trust	<p>About 80 Students and staff members of the Department participated in a medical camp and health awareness for females</p> <p>A health camp for female students was organized by Department of Pharmaceutical, Saurashtra University with jointly collaboration of Kundaria Cancer Prevention Foundation on 9th July, 2019. The faculty for the coordinating to this event from Bioscience Department was Ms. Jigna Patel, Dr. Jyoti Jigyasi and Dr. Jalpa Rank. Total 40 students were participated for this event from Bioscience department. The aim of the program was to provide basic information with awareness to the female students regarding breast cancer and cervical cancer with preliminary screening of hemoglobin with treatment.</p>
	27 July 2019	Dr. Devyani Tipre , Department of Microbiology & Biotechnology, Gujarat University, Ahmadabad	Interaction with the faculty members and students of the Department
	27 July 2019	Dr. Rajesh Patel , Department of Biosciences, V N University	Talk: Metagenomics and Bioinformatics

		of South University, Surat	& Interaction with the faculty members and students of the Department
07 August 2019	HOPE Programme Dr. Sanjay Vanzara , Sterling Hospital Dr. Desai, Mr. Khachar, PSI		About 100 Students and staff members of the Department participated in this session, chaired by Hon Pro-Vice Chancellor, Dr. Vijay Desani
31 August 2019	Dr. Meeno Parabia , (Retired Professor)Department of Biosciences, V N University of South University, Surat		Talk: Medicinal Plants of Gujarat & Interaction with the faculty members and students of the Department
04 September 2019	Dr. Sankath Dr. BR Ambedkar Chair Centre, Saurashtra university		Talk: Indian Contituion: Rights and Duties & Interaction with the faculty members and students of the Department
04 September 2019	Dr. Solanki -----		Talk: Dr. B R Ambedkar: Life and Contribution & Interaction with the faculty members and students of the Department
05 September 2019	Dr. Amit Sharma Scientist Zydus Research Centre, Ahmedabad		Talk: Quality Assurance & Quality Control & Interaction with the faculty members and students of the Department
14 September 2019	Mr. Jay Chavda Placement Office, Saurashtra University		Talk and Interaction: Contra Drive (Confidence +Training Drive) + Resume Evaluation Process for the 3rd Semester students A Report from the Placement Officer The Training & Placement Cell is glad to inform you that the Resume Evaluation Process is concluded successfully by the students of the Department of Biosciences. In the Resume Evaluation Process, students were made aware of common mistakes they make, while preparing a resume & also how should an ideal resume looks like. The students' mistakes were corrected. So, he/she can get an idea regarding ideal resume for the better chances of getting selected in the

			<p>corporate world. In addition, every minute of information about the same was shared with the students. The Training & Placement Cell is very grateful to the Department of Biosciences for providing every possible support without which this could not have been possible.</p> <p>Thanks & Regards, Jay Chavda, Placement Officer, Saurashtra University.</p>
	14 September 2019	HOPE Programme	Poster Completion Programme conducted in Bioscience Department on the theme of De-Addiction, participated by many students
	14 September 2019	Mr. Meet Variya Trainee Scientist Zydus Research Centre, Ahmedabad	Visit in the Department and Interaction with the faculty members and students of the Department
	19 Sept 2019	Visit of M Sc Microbiology students of Christ College Rajkot.	<p>About 30 M Sc Microbiology students of Christ College Rajkot visited the department.</p> <p>Learnt Techniques on tissue fixation Visited different research labs of the Department</p>
	20 Sept 2019	SUCEAT examination, a GK based examination.	An event organized in the department was SUCEAT examination, a GK based exam. More than 40 students of Bioscience participated in it. It was coordinated by Dr. Kiran Chudasma and Ms. Mayuri Naliapara.
	20 Sept 2019	SUCEAT examination, a GK based examination.	An event organized in the department was SUCEAT examination, a GK based exam. More than 40 students of Bioscience participated in it. It was coordinated by Dr. Kiran Chudasma and Ms. Mayuri Naliapara.
	20 September 2019	<p>A Talk and Interactive session on the 125th Anniversary of Swami Vivekanand's Address in Parliament of world religions at Chicago, USA</p> <p>Prof V S Thaker, Dr. Sangeeta Gohel and Dr. Shweta Pathak</p>	On the occasion of 125th Anniversary of Swami Vivekanand's Address in Parliament of world religions at Chicago, USA, a function is arranged in Biosciences. Prof V S Thaker delivered a talk on this occasion and distributed books on the Life and contributions of Swami Vivekananda. The students, teaching and non-teaching members of the Department participated in this two-hour

			programme in the Department
	26 September 2019	Prof. B J Rao (TIFR and Presently at ISSER, Tirupati)	Visit in the Department and Interaction with the faculty members and students of the Department
	10 October 2019	Navtari Festival under the banner of LSA	Nicely organized and participated by huge number, about 150 students, of students. It was inaugurated by the PVC Sir, Dr. Vijay Desani
	18 Oct 2019	Dr. Jignasha Thumar Assistant professor, Microbiology, Govt. Science College, Gandhinagar	Visit in the Department and Interaction with the faculty members and students of the Department
	18 Oct 2019	Ms. Daxa Sakhiya Research Fellow, Gujarat Biotechnology Research Centre (GBRC), Gandhinagar	Talk: Diversity and Bioactive potential of Diatoms Interaction with the faculty members and students of the Department
	13 December 2019	Dr. Kiran Liversage , Postdoctoral Researcher & Marine Ecologist, Estonian Marine Institute, University of Tartu, Mäealuse 14, 12618, Tallinn, Estonia	Interaction with the faculty members and Non-Teaching staff
	16 December 2019	Dr. Kiran Liversage , Postdoctoral Researcher & Marine Ecologist, Estonian	Interaction and discussion with the PhD and M Phil students
	10 January 2020	Prof. B J Rao (TIFR and Presently at ISSER, Tirupati)	Key Note Address: National conference on 'Regulation of Cell Death and its implications' Interaction with the faculty members and students of the Department External Expert (DST- Approved Panel) for Interview- INSPIRE SRF
	10 January 2020	Prof. Linz Buoy George & Prof. Hitesh Solanki Dr. Vikram Raval (Gujarat University, Ahmedabad)	Judge: National conference Interaction with the faculty members and students of the Department
	10 January 2020	Prof. Suhas Vyas & Dr. Jatin Raval (BKNM University, Junagadh)	Judge: National conference Interaction with the faculty members

			and students of the Department
10 January 2020	Dr. Darshna Patel (President College, Gujarat University, Ahmedabad)	Judge: National conference Interaction with the faculty members and students of the Department	
10 January 2020	Dr. Neepa Pandhi (M N Virani College of Science, Rajkot)	Judge: National conference Interaction with the faculty members and students of the Department	
22 January 2020	Blood donation camp was organized in the Department of Pharmaceutical Sciences	Number of students and staff members of our Department participated in this event	
25 January 2020	On the occasion of National Voter's Day, Oath taking ceremony was held in the Department	All the students and staff members participated in this ceremony	
08 Febraury.2020	Mr. Ashvin Gohel, Programme Coordinator, Renal Foundation of India	A talk on General Awareness about the Renal/ Kidney health was delivered by Mr. Ashvin Gohel. Various aspects related to the health and care of kidney and different diseases of kidney, such as Kidney stone, nephritis, Polycystic syndrome were discussed. It was general awareness and information. The lecture was attended by students and staff members.
