

Department of Pharmaceutical Sciences, Saurashtra University, Rajkot – 360 005

Procedures and policies for maintaining and utilizing physical, academic and support facilities – laboratories, library, sportscomplex, computers, classrooms ect.

Books, Teaching- aids, Furniture and Fixtures, ICT facilities and other consumables. Our department encompasses a well maintained building of serene green land. The existing infrastructural facilities are utilized both for conducting theory and practical classes.

The details of the available infrastructural resources are as follows:

Classrooms:

Our Department has sufficient number of well-furnished, well ventilated, spacious classrooms with comfortable seating arrangement are available for smooth conduct of B. Pharm. and M. Pharm theory sessions. Besides the conventional teaching aids, classrooms are also equipped with state-of-the-art audiovisual technology viz. Digital smart board, LCD projectors and Over Head Projectors, thus stepping up the teaching-learning experience to next higher level. Well-thought positioning of aisle in the classrooms ensures proper interaction between teacher and students.

Laboratories:

All our UG and PG laboratories are well equipped and well maintained not only for carrying out curriculum oriented lab practicals but also to carry out research activities. All the laboratories are well equipped with provisions of safety aids such as fire extinguisher, first aid box and display of safety instructions.

Smart classrooms:

The department has also smart classrooms for enhancement of teaching learning process.

Seminar Halls:

Department has one seminar halls to conduct conferences, seminars and workshops for students and faculty members as well. Seminar hall has the capacity of 150 seating capacity. Seminar halls are completely air conditioned. They are equipped with LCD Projectors,

white boards, public addressing system with internet connectivity.

Tutorial Classrooms:

Department has tutorial classrooms to conduct tutorial classes to address the queries of the students even personal level doubts too. Tutorial classroom is equipped with black board, wooden benches, fans, tubelights etc.,

Computer Labs:

Department has computer Labs having 50 computers. All of which have Internet facilities.

Facilities for teaching, leaning and research:

We do have a very spacious, well equipped Library with references and textbooks, journals, magazines, newspapers etc., E-learning facility is provided which covers a wide set of applications and processes including computer based and virtual learning. Even we have Book bank facility where students can borrow the books and use for the complete semester. Common room for boys and common room for girls are separately available where any sick student can take rest.

Central Instrumentation Room and Machine Room:

Equipped with highly-sophisticated instruments and provision of power back-up, air-conditioned Central Instrumentation Room and Machine Room serves as the core units nurturing research culture amongst students and faculty members

Animal House:

Institute hosts an animal house, well-maintained as per CPCSEA guidelines and with the provision available for air-conditioning.

Medicinal Plant Garden:

Medicinal plant garden, situated adjacent to institution building, aids in teaching and research. Developed medicinal plant by unique theme of Grah vatika and Nakshatra Vatika. The boundary of the garden is properly demarcated. Different varieties of plants are available in the medicinal plant garden like herbs, shrubs, trees, xerophytes, perennial plants, plants growing under shade etc.
